

THE HARSH REALITY

The pet overpopulation epidemic is so staggering, that for every animal born in the United States to have a home, each and every human being would have to own 6 dogs and 9 cats. So a family of four...2 parents and 2 small children would have to own 24 dogs and 36 cats

It costs US tax-payers an estimated 2 billion dollars each year to round up, shelter, kill and dispose of homeless animals.

Two uncontrolled Breeding Cats-plus all their Kittens and all their Kitten's Kittens, if none are ever spayed or neutered add up to 420,000 in 7 years.

CAT RESCUE

ADOPTION

**SPAY &
NEUTERING**

Our group's Mission is to help the overpopulation of cats, through spaying, neutering, foster care and finding permanent homes for cats and kittens.

This includes vetting, feeding and housing them until we are able to find permanent homes.

We also help with feral and semi-feral cats through spaying and neutering and rehabilitation of the kittens for adoption.

What Happens To Our Kitties?

Surrendered, abandoned and injured cats and kittens are first examined by Veterinarians.

They are spayed/neutered, given necessary medical treatment then sent to one of our foster homes.

The Foster Homes feed, love and take care of their immediate needs while waiting for adoption.

We have cats and kittens and barn cats for adoption with a small adoption fee.

The adoption fee of \$90.00, includes spay/neutering, vaccinations, flea treatment, worming and FIV/Feline Leukemia testing. We also have feral cats that would make great barn cats

Kittens not adopted are sent to North Shore Animal League (a no kill shelter) on Long Island for adoption.

We make a trip to North Shore approximately once a month.

How We Came to Be

Wayward Paws was founded in March, 2006 by Tina Eck and Joan Hathaway.

After several years of discussion and planning a meeting was set for March 12, 2006.

With nine people at that meeting Wayward Paws was founded.

With much planning, organization, commitment and help from our officers, members and community volunteers we continue to grow.

We tirelessly work to alleviate the suffering of cats, kittens, domestic, semi-feral and feral.

None of our Officers, Members or Volunteers receive any compensation for the many hours they work.
